

Hi Brad,

I sent you 2 photos via messenger, and they are also below. The first is the white decoration that will have the BMR logo on top. Each would sell for \$8.00.

The 2nd photos is of a glass trivet that can be used as a hot plate, a cutting board, a cheese tray, or simply a decoration. They would sell for \$10 each. They could be just plain logo, or, we could take orders to add an address (as showing) or "Black Mountain Ranch". Personalization would add \$2 to each item.

There is also an opportunity to make a similar item as the trivet, but etch the glass (vs having the colored vinyl on the bottom), similar to what was sold at Gala for the 50th year.

As you may know, we are looking to host a "craft sale" on October 23 right after the A&C AGM (cook shack). All items at the craft sale are being donated. Items currently donated include leather and cork wallets/purses, some makeup-type pouches, bowl cozies (for heating soup in the microwave), leather dog poop bag holders, Christmas decorations.

The BMR logo items would remain for sale via our Facebook page, and, we will most likely offer a "do it yourself" trivet or plate class.

Our main goal for the proceeds of this sale would be to purchase a Cricut machine to enable the Committee to do crafts such as signs, door mats, glasses, etc.

I trust this is the information you need, but if not, please reach out at your earliest convenience.

Apologies for the delay in getting this request to you. And thank you for following up so that we did not miss our opportunity.

All the best,
Judy Shadbolt O'Hara
BMR Craft Committee
