

President's Report:

The summer season is over at the ranch, and what a summer it was. The Gala was amazing this year, and again thank you to Hyla and Virg for all their hard work. I would like to thank Brad Bergman for the amazing job he has done for the last 3 months, and for helping us get through the Covid transition, and the staff changes we have experience since June.

Now that we move out of the busy months, the board can start working on other outstanding challenges. Obviously the first is hiring a new permanent GM, we have started interviewing and are confident our new permanent GM will be found in the next few months.

We need to start thinking about our 2023 budget, and where we can tighten up on spending, and where we need to invest more. We are way behind on ACCs, and the staff couldn't help much over the summer due to other project, so Kris, Blair, Dan, Jerry, along with Brad have been volunteering many hours, to do the ACC inspections. I want to thank them for the hard work. Hopefully now that things quiet down we will be able to get caught up.

Thank you
